

Dear Members of Interlude Musical Outreach,

First and foremost, I would like to express my sincere and heartfelt gratitude to all of you for continuing to be a part of our community. As you know, Interlude has been online since the outbreak of the Coronavirus pandemic in 2020, and we have been fortunate enough to have committed volunteers offering lessons to our students despite the challenges posed. It is with great pleasure that I am officially announcing that Interlude will return to in-person lessons starting in the Summer of 2022. We will still retain an online option for pupils or instructors wishing to remain virtual, however, with decreasing COVID cases and restrictions, we believe that it is time we return to our traditional music instruction methods.

Second, I would like to introduce our new logo that has been developed over the past year with meticulous efforts from our marketing team. Pictured at the end of this update, this logo is what Interlude will be using from now on in all of our official communications and content.

Third, I would like to introduce a new and exciting opportunity for all of our students, pupils, and parents. Interlude Musical Outreach is partnering with Park Tutoring to bring you quality tutoring services in any subject matter. Park Tutoring appreciates Interlude's commitment to providing free music education and as a result, has decided to give our members special free services for the months of March and April. [Click here to view these offers.](#)

If you decide to sign up for Park Tutoring's quality services, you will be contributing to Interlude's mission as part of the proceeds will go to supporting Interlude in its efforts to bring music lessons to every student who wants it.

Once again, thank you everyone for your continued support of Interlude and we look forward to seeing you all in lessons in the coming weeks.

Gyu "Kevin" Moon

Chairman, Director of Finances
